Dear Potential Sponsor,

Your future innovation leaders are not far away. It's the girl next door! Building a strong, competitive business requires attracting the best and brightest talent. Cultivating that talent from the communities you serve is an investment in your organization's future. Your partnership with community efforts to prepare children for careers in technology-driven, agile business environments not only helps to build your next corporate leader, it also helps to develop educated and brand loyal consumers that will take your company toward a promising future.

Women of the Dream, a 501(c)(3) nonprofit organization based in Camden, NJ, has been providing program services to girls and young women in Camden, NJ since 2014. Our work is fueled by our belief in the transformative power of investing in girls, particularly those in underserved and low-income areas, who represent the promise of tomorrow.

Women of the Dream's 4th Annual Scholarship & Awards Program will be held Virtually on June 13, 2020. Over the past three years, we have awarded scholarships totaling \$34,500 to thirteen girls excelling in schools such as Cornell University, Caldwell College, Fairleigh Dickinson University, Snow College, Ursinus College, Bloomfield College and Rutgers University. Your contribution can help our girls not only go far but soar! As a sponsor of this inspirational event you will enable Women of the Dream to continue making a positive difference in the lives of deserving young girls, for years to come.

I have attached the sponsorship levels but detailed information can be found on our website at www.womenofthedream.org. Simply follow the link on the homepage to all information. Should you have any questions or require any further information, please do not hesitate to contact me at leslie.morris@womenofthedream.org, or Bonnie Baker at bbaker3@comcast.net

We look forward to your participation on June 13th!

Sincerely yours,

Leslie A. Morris
